Isabel Wilkerson **THE WARMTH OF OTHER SUNS**

The Epic Story of America's Great Migration

"[A] landmark piece of nonfiction. . . [Isabel Wilkerson] has documented the sweeping 55-year-long migration of black Americans across their own country. . . [Her] closeness with, and profound affection for, her subjects reflect her deep immersion in their stories and allow the reader to share that connection."

—*The New York Times*

VINTAGE | PAPER | 640 PAGES | \$16.95

Karen Armstrong **TWELVE STEPS TO A COMPASSIONATE LIFE**

"Rich with wisdom and provocative ideas that stimulate deeper thinking. . . [Armstrong's book offers readers] a greater appreciation of how widespread compassion is as an ideal [and] a spur to deeper reexamination of aspects of their own experience."

—*The Christian Science Monitor*

ANCHOR | PAPER | 192 PAGES | \$14.00

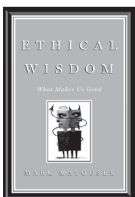

Michele Norris **THE GRACE OF SILENCE**

A Family Memoir

"A riveting, inspiring memoir of an at once singular and representative American family. . . [Norris's] painful yet triumphant journey of self-discovery that . . . unearth[s] shocking family secrets kept from her by her father and mother when she was growing up."

—Henry Louis Gates, Jr.

VINTAGE | PAPER | 192 PAGES | \$14.95

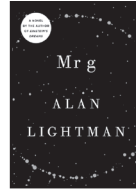

Mark Matousek **ETHICAL WISDOM**

What Makes Us Good

"Mark Matousek guides us through a revolution in ethical science with deft, thought-provoking style. *Ethical Wisdom* is a riveting, fun, and insightful tour of life's meaning and purpose, essential reading for anyone drawn to the query, 'How ought we to live?'"

—Daniel Goleman, author of *Emotional Intelligence*

DOUBLEDAY | CLOTH | 272 PAGES | \$26.95

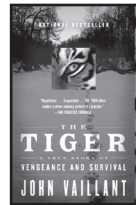

Alan Lightman **MR G**

A Novel About the Creation

"Just as he did with his incomparable *Einstein's Dreams*, Alan Lightman again surprises us with a work that is utterly original in both form and content. *Mr G* is a philosophical fable which is at turns hilarious and moving, rendered with a literary hand so deft that the weightiest metaphysical topics levitate into pure delight."

—Rebecca Newberger Goldstein, author of
36 Arguments for the Existence of God

PANTHEON | CLOTH | 224 PAGES | \$24.95

John Vaillant **THE TIGER**

A True Story of Vengeance and Survival

"Obsessively well-researched and artfully written, *The Tiger* takes us on a journey to the raw edge of civilization, to a world of vengeful cats and venal men, a world that, in Vaillant's brilliant telling, is simultaneously haunting and enchanting."

—Hampton Sides, author of *Ghost Soldiers*

VINTAGE | PAPER | 352 PAGES | \$15.00

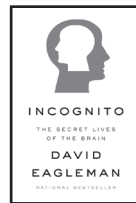

Jennifer Egan **A VISIT FROM THE GOON SQUAD**

"Jennifer Egan uses the pop-music business as a prism to examine the heedless pace of modern life, generational impasses, and the awful gravity of age and entropy. . . . *A Visit from the Goon Squad* is fascinating for its daring scope and fractured narrative, but along the way, Egan crafts some brilliant scenes. . . . A rich and rewarding novel."

—*The Philadelphia Inquirer*

ANCHOR | PAPER | 352 PAGES | \$14.95

David Eagleman **INCOGNITO**

The Secret Lives of the Brain

"*Incognito* proposes a grand new account of the relationship between consciousness and the brain. It is full of dazzling ideas, as it is chockablock with facts and instances."

—*The New York Observer*

PANTHEON | CLOTH | 304 PAGES | \$26.95

Avi Steinberg **RUNNING THE BOOKS**

The Adventures of an Accidental Prison Librarian

"Heartbreaking and entertaining. . . . Steinberg's compassion for those he mentored clearly comes through. Yet, this is far from a preachy memoir on prison reform. It's a young man's blundering, but touching, journey to find a place in the world. Fortunately, he makes us laugh and—sometimes cry—in the process."

—*The Seattle Times*

ANCHOR | PAPER | 416 PAGES | \$16.00
