GIVE THE BITCH HER CHOCOLATE

The Feisty Foodie Edition

By Ed Polish and Darren Wotz

In the fifth installment of the best-selling BITCH series, each exuberantly vulgar dictum dishes on the delights of chocolate, coffee, and other intoxicating comestibles, and is thoughtfully paired with a fine vintage illustration. *Give the Bitch Her Chocolate* brings a particularly piquant imperiousness to the table, serving up a feast of edible and potable quotables from diva-licious dames such as:

“I’m such a lousy cook, I can’t even boil toast!”

“Coffee makes it possible to get out of bed. Chocolate makes it worthwhile.”

“Sarcasm: now served all day”

These hedonistic heroines bring haute cuisine to a level that’s at least as high as their hairdos. *Give the Bitch Her Chocolate* is the ultimate validation for a favorite foodie, churlish chocoholic, or domestic dominatrix because bitchiness isn’t just an attitude—it’s a lifestyle.
