Patricia Unterman's San Francisco Food Lover's Pocket Guide 2nd Edition

Completely revised, this edition features more than 600 newly updated and fact checked listings in a handy portable format for locals and tourists alike.

Considered the bible of food guides for the West Coast food mecca, *Patricia Unterman's San Francisco Food Lover's Pocket Guide* offers an intrepid, unapologetic and refreshing down-to-earth selection of the best and most interesting eateries, markets, and other food- and drink-related spots in San Francisco, the East Bay, Marin County, and the wine country; covering everything from sophisticated California cuisine to authentic Mission taquerias.

This 2nd edition has been significantly updated to reflect the current San Francisco dining scene, with up-to-the-minute information on restaurants in every nook and cranny of San Francisco and the surrounding Bay Area. It includes new and particularly hot, hip, on-the-rise additions such as Lers Ros (which Patricia Unterman calls the best Thai restaurant in the city!), Pisco Latin Lounge (a recently added bar adjacent to the very popular Destino), and the new outpost of the Mission's infamous Dosa on Fillmore.

Plus, Patricia has also added new food-oriented bookstore listings, such as Omnivore Books in Noe Valley. Patricia Unterman's *San Francisco Food Lover's Pocket Guide* offers a plethora of foodie information, and the on-the-go style allows it to fit perfectly in your purse or back pocket!
