2000+ Essential English Verbs

Whether your students are learning English as a second language or are native speakers studying grammar, *2000+ Essential English Verbs* makes learning verbs simple—conjugations, tenses, irregulars, and even conversation.

2000+ Essential English Verbs illuminates the most common, the most contemporary, and the most complex English verbs. Students learn idioms, hundreds of examples of verbs in use, and all possible verb tenses. Lessons also include verbs that have only recently entered the English language.
