MONSTERS, INC.

Sulley has a small problem—he has accidentally let Boo, a little human girl, into the monster world!

Can you help Sulley and Mike find Boo's closet door to return her to her bedroom?

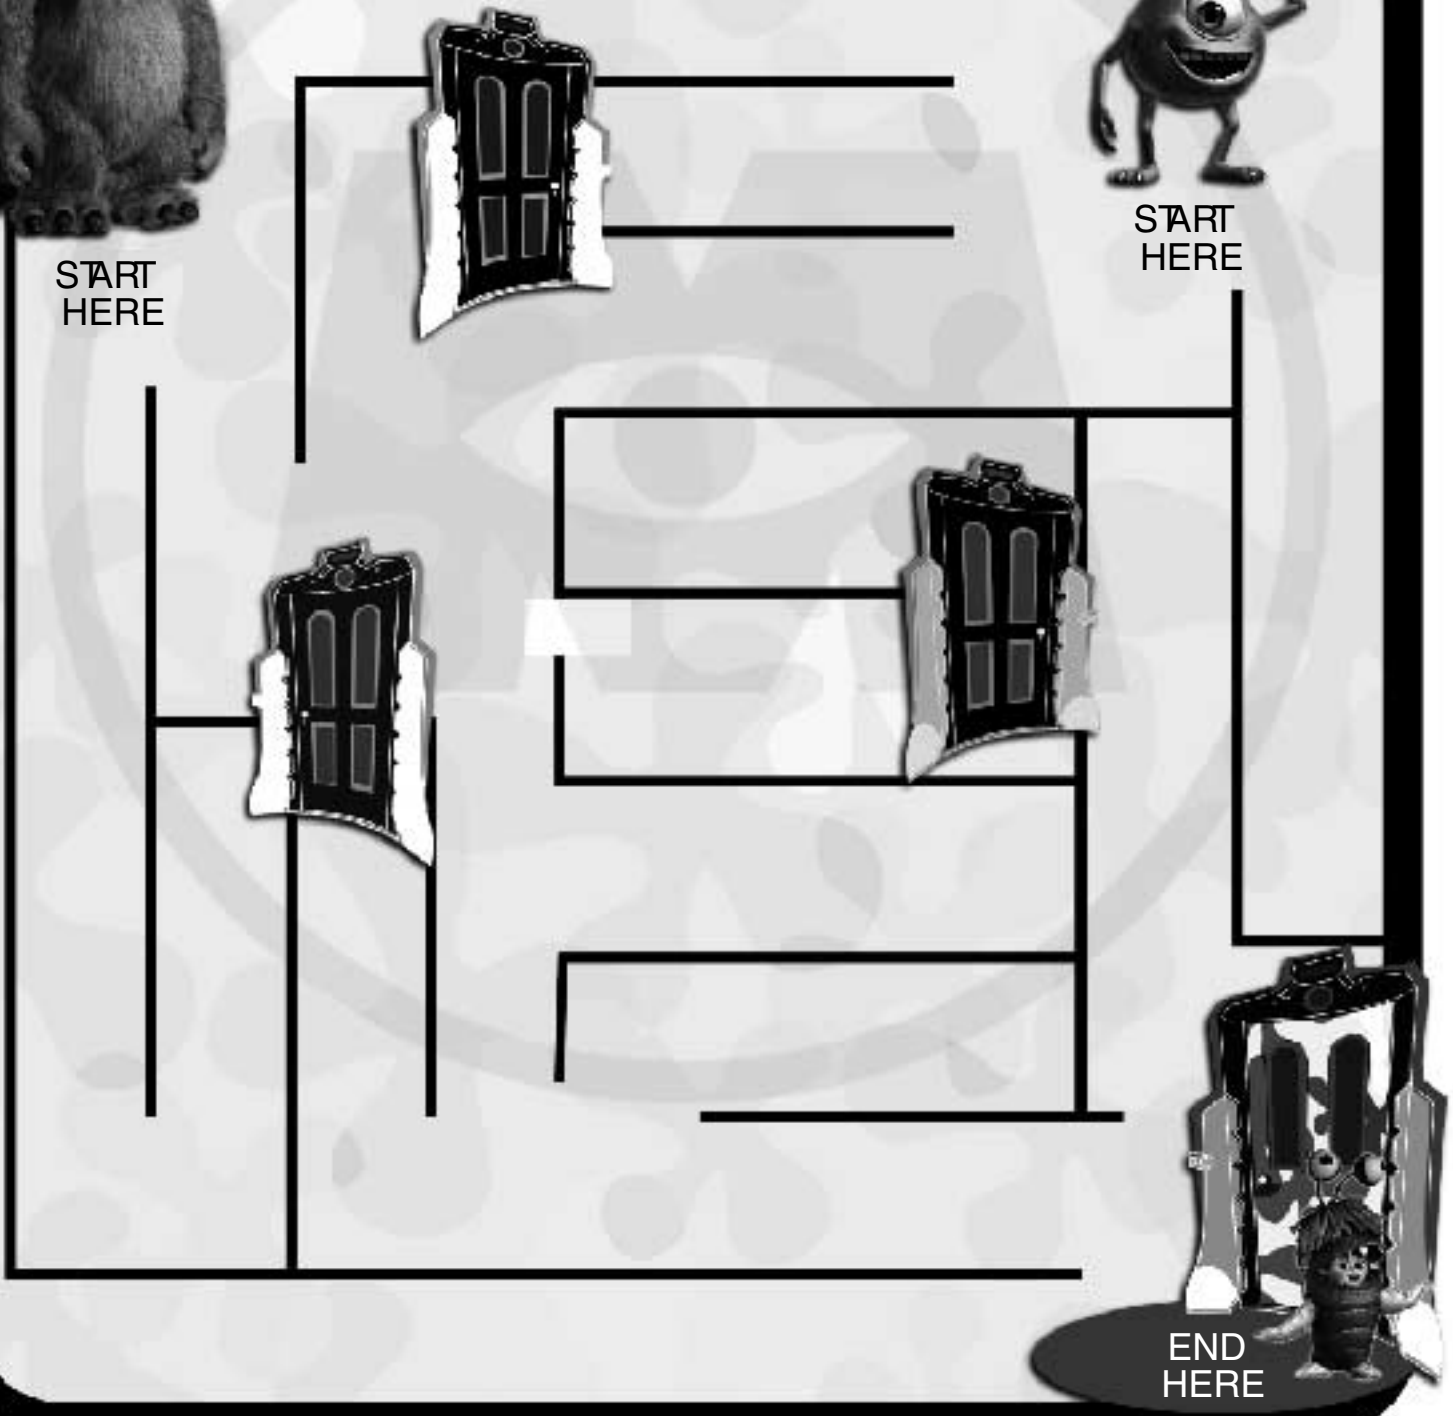

Complete the maze alone or share it with a friend. Draw a path from Sulley to Boo's closet door (it's the one with the flowers on it!) while your partner draws a path from Mike to the closet door. See who will be the first to help Boo get home!
