## Paper Cap 'STRUCTIONS

1. Using an 11" x 17" sheet of white paper, cut a 2" strip down the length of the sheet.
2. Tape the ends of the strip together to form a circle. (This will be the bottom of your cap.)
3. Cut the remaining piece of paper into a 9" square. (This will be the top of your cap.)
4. Attach the top of your cap to the bottom of your cap using small pieces of tape.
5. Use the scrap pieces of paper to form a tassel for the top of your cap.
6. Attach the tassel to the cap by cutting a piece of string and taping one end to the top of your cap and the other to the tassel.

Now you're ready to graduate!
