Junie B.'s Time Out!

Directions: *Minutes and hours can zoom by so speedy quick that you may not fit in all the fun and important things you want to do. That's what happened to me because I am not a clock. This clock can help me (and you) manage time better. Just cut out the clock face and hands, glue to a piece of cardboard and fasten with a brass fastener in the center. You can even color it! Then, you can help me make a schedule for all these things I want and need to do this Saturday.*

- Play with Philip Johnny Bob
- Do Homework
- Lunch with Herb
- Shopping with Mom
- Study for Spelling Test
- Visit Grandma and Grandpa Miller
