

MAGIC TREE HOUSE®

Name: _____

Remember Me This Way

Directions: When authors Mary Pope Osborne and Natalie Pope Boyce were children they heard strange noises that they thought might be ghosts in the very old house that they lived in. That experience peaked their interest in ghost stories and mysteries. In the space below, write about an experience that you've had that caused you to find a new, surprising interest. Then draw a picture of yourself enjoying your special interest.

Special interest: _____

How did you become interested in this topic? What happened?
