## Where Did That Come From?

**Directions:** What common words today come from Latin? You might be surprised to realize how many Latin words are woven into the English language. Find words that include each of these prefixes. Write them in the boxes.

**Example:**

**Bi- (two)**

bicycle, bicentennial, billion, bifocal, bicep

**Re- (again)**

**Cent- (one hundred)**

**Un- (not)**

**Flex- (to bend)**

**Auto- (self)**

**Dict- (to speak)**
