Gleeps!

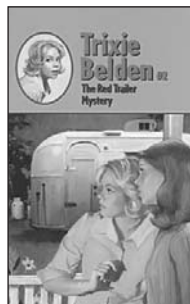

Did you know that the first Trixie Belden book ever published was **TRIXIE BELDEN: THE RED TRAILER MYSTERY** in 1948? The first six titles were written by Julie Campbell, and the 33 titles that followed were written by different ghostwriters under the name Kathryn Kenny.

Random House Children's Books brought Trixie back to her loyal fans in the summer of 2003. She remains the spunky, lovable girl that readers have been flipping over for more than 55 years!
