GO FISH!

Instructions: After reading *Once Upon a Tide*, have the kids go fishing! Provide the kids with blue napkins or paper (for the ocean), popsicle sticks (for fishing poles), double-stick tape, safety scissors, crayons, and copies of the fish below. Once the kids have cut out and decorated their fish, have them unfold the blue napkin and place it on the floor in front of them. Then have them put their fish in the “ocean.” Help each kid put double-stick tape on their popsicle stick. Then let them GO FISH!
