YOUNG ADULT FICTION

Young Adult Fiction (General) Young Adult Series

Young adult titles are generally appropriate for readers ages 12 and up, though titles may skew as young as age 10 depending on the maturity of the reader. The subject matter is often grittier and more complex than in middle grade titles as authors present topics of relevance to teens. Bestsellers published include Lois Lowry's *The Giver*, Scott O'Dell's *Island of the Blue Dolphins*, Caroline B. Cooney's *The Face on the Milk Carton* and its sequels, as well as the collected works of Robert Cormier, Gary Paulsen, Philip Pullman, and Tamora Pierce.

The general fiction category is arranged alphabetically by author, and then title within the author listing. (Some related titles have been grouped together.) In the series section, numbered series are listed in chronological order.
