

Sammy Keyes Song

Sammy Keyes and the Sisters of Mercy, Sammy Keyes and the Runaway Elf
There's Sammy Keyes and the Search for Snake Eyes, but there're some other titles on
the shelf

There is the Hotel Thief and the Skeleton Man, they're the ones that tell you where the
story began

Then there's the Curse of Moustache Mary 'bout the wild, Wild West
And in the Hollywood Mummy a sarcophagus, You say you love a mystery,
Read Sammy Keyes and the Sisters of Mercy, Sammy Keyes and the Runaway Elf,
Sammy Keyes and the Curse of Moustache Mary, see if you can solve them yourself.

Heather Acosta is a redheaded monster who's got nothing but vengeance on her mind
But Marissa and Hudson, Dot and Holly and Grams are gonna help Sammy keep that girl
in line

Then there's Lady Lana, down in La-La Land who's left Sams so she could be a movie
star

But the Gas-Away Lady's got a boss who's shady, and the Pitchfork Mummy's never far

Sammy Keyes and the Sisters of Mercy, Sammy Keyes and the Runaway Elf
Sammy Keyes and the Art of Deception, see if you can solve 'em yourself

Officer Borsch acts like his squad car's a Porsche, and thinks that all kids are delinquent
juveniles

But he'll change his mind when he gets in a bind and Sammy wrestles down a nasty
crocodile

There are bad guys lurkin', one thing's for certain, sinners like to slither out of sight
But Sammy tracks 'em down and when the truth is found, she's gonna stand tall for what
is right

Sammy Keyes and the Sisters of Mercy, Sammy Keyes and the Runaway Elf
Sammy Keyes and the Curse of Moustache Mary, see if you can solve 'em yourself

There is the Hotel Thief and the Skeleton Man, in the Art of Deception Casey's back
again

They will twist you and turn you to the edge of your seat, so come join the adventure and
read...
