

## WHAT can you DO with a Paleta?

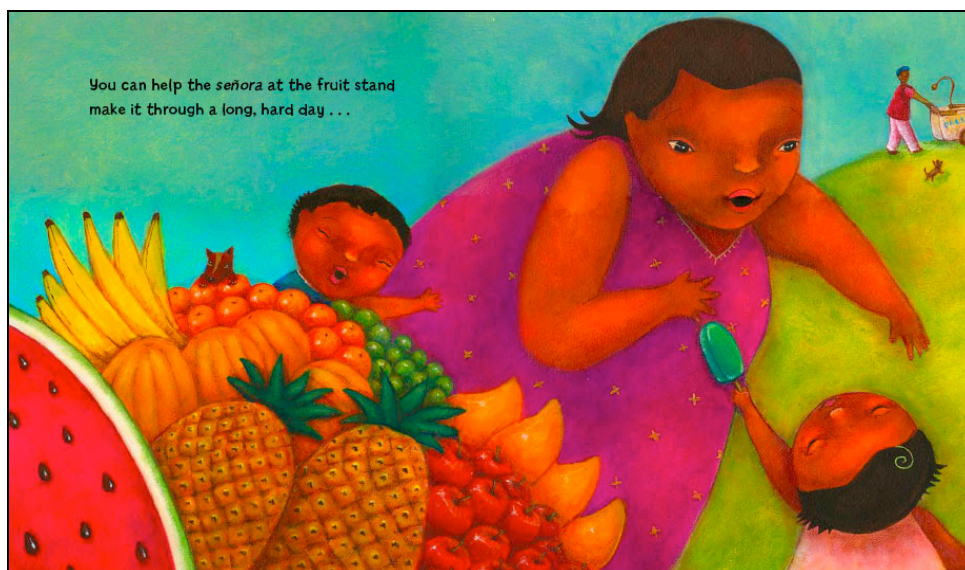

In her second book for Tricycle Press, Latina author Carmen Tafolla takes young readers into a thriving and colorful barrio to introduce them to the frozen, fruit-flavored treat known to Mexican-American and Mexican children as a *paleta*.

*Where the paleta wagon  
rings its tinkly bell  
and carries a treasure of icy paletas  
in every color of the sarape...  
THAT's my barrio.*

As she strolls through her neighborhood, a young girl finds that there are many things she can do with a *paleta* before she eats it. She can make tough decisions—strawberry or coconut?, she can draw inspiration from the paleta's colors to create a masterpiece, startle her brother with her *paleta*-painted tongue, or even make new friends by sharing one.

Featuring newcomer Magaly Morales' vivid illustrations, *What Can You Do with a Paleta?* is a fitting follow-up to *What Can You Do with a Rebozo?*, the book that showed youngsters the many ways in which the traditional Mexican shawl could be used.
