PEZZETTINO SAYS

Instructions: After reading *Pezzettino*, play Pezzettino Says. Have the kids form a line facing the leader. The leader should perform an action, such as patting his/her head, touching his/her nose, etc. and say, “Pezzettino Says” before the action. If the leader *doesn't* say “Pezzetino Says” before the action then anyone who imitates the action sits down until the next game. Continue until one person is left.
